

GBU iCafé VBG

We are a group of international and swiss students and we want to connect students from all over the world. For this purpose iCafé organizes numerous events and activities throughout the year. Let's get together, celebrate our differences and build friendships that may last for a lifetime! The iCafé is associated with the Bible group of the University Fribourg (BGS) which is part of IFES (international Fellowship of Evangelical Students). Everybody is welcome regardless of faith or religious conviction

Semester program - starting from September 2018
